

September 30, 2008

Dear Business Owner/Manager,

I am writing this letter on behalf of the Puyallup Falcons Wrestling Club. We are a team comprised of 75-100 local wrestlers from the ages of 5-12 years of age. We wrestle as part of the Pierce County Junior Wrestling League. The team practices three days a week and competes against local teams in tournaments and sends wrestlers to Local, State, Regional and National events.

This year, the Puyallup Falcons is hoping to raise \$10,000 by October 31st, to pay for additional team singlets, and team warm-ups. We are requesting a tax deductible contribution from your business for our upcoming 2008/2009 season. For your contribution we will be recognizing our sponsors in different ways depending on the sponsorship package.

Bronze Package- \$100.00

Businesses giving this contribution will receive recognition on the Puyallup Falcon website throughout the season and a sponsorship plaque.

Silver Package- \$300.00

This contribution will be acknowledged on the Puyallup Falcon website, team banner and a sponsorship plaque.

Gold Package- \$500.00

This contribution will be recognized on the Puyallup Falcon t-shirts that are worn by the team at tournaments and practices and acknowledged at all Puyallup Falcon hosted events with your business logo on the Puyallup Falcon team banner. This contribution will also be recognized on the Puyallup Falcon website throughout the season along with a sponsorship plaque.

Our Team appreciates any amount of dollars your business can provide. If you have any further questions about donating to the Puyallup Falcons Wrestling Club, please feel free to contact me at info@puyallupfalcons.org

Thank you,

Andrea Franich
